List of research grants as project coordinator (grants obtained through competition)

1. "Analysis of biomedical images by means of artificial intelligence techniques", Grant No.11/2001-AR, Romanian Academy, *project director*, 2001-2002.

2. "Processing and analysis methods for biomedical imaging using soft-computing techniques", Grant No. 260/1/2001, Romanian Ministry of Education and Research, *project director*, 2001-2002.

3. "Monitors – Integrated system for automated monitoring of sound level in Iasi city", Grant No. 26 /19.04.2004, European Association for Environment Protection, *project director*.

5. "PERSIDENT – Informatics system of biometry for person identification and access authorizing", Romanian Ministry of Education and Research / CNCSIS, Contract No. 61 GR/16.05.2006, cod 835, *project director*, 2006-2008.

6. "TELEMON – Integrated system for real-time telemonitoring of patients and elderly people", program PNCDI II, Contract Nr. 11-067/18.09.2007 with Romanian Ministry of Education and Research, *project director*, 2007-2010.
